**MOTION FOR DISMISSAL OF COUNSEL**

COMES NOW the Defendant, Alfred Thomas Earl Jarvis,

in the above entitled cause and respectfully moves this Honorable Court to allow dismissal of counsel. Defendant alleges that counsel has violated his interests based on the following facts:

1. Defendant's counsel appeared in the courtroom for my 2nd denied hearing on the week of November 7th. I, the Defendant, was not present.
2. Defendant's counsel gave me his 2nd hearing address and way to contact him. He never reached the information, providing me with his name and number.
3. He furnished my fictitious name to Cliff McIntyre, being FirstClass's attorney, claiming to and not knowing how to deal with business.

Defendant believes the aforesaid counsel cannot represent the defendant fairly or adequately for the foregoing reasons and the Defendant has affixed an affidavit to these facts hereto.

Respectfully submitted,

Dated November 20<sup>th</sup> 2005

To the Honorable Judge Tamm Lincoln,

I, Dana Jarvis am respectfully requesting to discontinue my current counsel. I feel John Rommenhaar is inadequate representation.

In addition to the reasons I stated on the motion for dismissal of counsel, I have never seen him since he was appointed to me early October. He failed to acknowledge my rights in having access to wire-tapping evidence and the entire discovery since the case has been declared complex.

I have asked him to request, during my incarceration at Nevada County Detention Center, that I may be provided with proper medical attention concerning hepatitis C and tick-borne illness. He has failed to make the request. He agreed to contact the doctors at the White Life Clinic, where I received previous treatment, and my primary doctor, Senga Reese. After several weeks of no contact, my mother, Eileen Fitzgerald took it upon herself to obtain letters from the above mentioned doctors. He has refused to make contact with my personal third party custodian.

John Rommenhaar has made me feel uncomfortable with his synopsis towards the amount of money he is receiving from the Federal Government to represent me, claiming that it is insubstantial. He has displayed a rude attitude in references towards my mother, Eileen Fitzgerald and my father, Dana Jarvis. I feel he does not respect me or my rights as his client. In regards to my future, I am asking to have different representation. Thank you. Your Honor for considering my request.

Sincerely,

Dana Jarvis
